The President's Message

Jennifer Martin

The biggest news to share is that General Membership Meetings will be changing day and time. Our regular meetings will be held on the fourth Wednesday of month at 6pm. However due to the Chimbole Cultural Center being closed the fourth week of June, this months meeting will be held on the third Wednesday (June 20th at 6pm) This decision

was made for two reasons: 1.) Non-profits can hold meetings for free there during certain hours. Wednesdays the hours extend to 10pm where the other days end at 6pm. 2.) We are hoping with an earlier time, it will work better for more members.

Future general meetings at 6pm: July 25th, September 26th, October 24th, November 28th, and December 19th (party)

From the Vice-President

Don McClung

It looks like we are moving forward to put on a great fair booth.while also entertaining the possibility of holding an annual show in Palmdale for our club. We are looking into venues. Anyone thinking they would be able to support our show and fair efforts with the planning and volunteering please contact Don McClung at 661-860-4910 or Jennifer Martin at 661-623-2975.
